## **Harbor Lights**

Willie Nelson

I saw the harbor lights They only told me we were parting The same old harbor lights that once brought you to me I watch'd the harbor lights How could I help if tears were starting? Goodbye to tender nights beside the silvery sea I longed to hold you near and kiss you just once more But you were on the ship and I was on the shore Now I know lonely nights For all the while my heart is whispering Some other harbor lights Will steal your love from me
