

Help Me Make It Through The Night

Willie Nelson

Take the ribbons from your hair shake 'em loose and let 'em fall

Let 'em fall against your chin like the shadows on the wall

Come and lay down by my side till the early morning light

All I'm taking is your time help me make it through the night

Well I don't care who's right or wrong and I won't try to understand

Let the devil take tomorrow cause tonight I need a friend

Yesterday is dead and gone and tomorrow's out of sight

And it's sad to be alone help me make it through the night

Well I don't care who's right or wrong...

I can't stand to be alone help me make it through the night
