

I'm so ashamed of my eyes
'Cause they still cry for you
After they both watched my hand
Wave goodbye to you

And I've told them time and time again
That this will never do
And I've told them
How you always laughed at teardrops

I'm so ashamed of my arms
For missing you
Last night I woke up just in time
To see them reach for you

And now my heart confesses
It's still wants you too
I'm so ashamed of them all
For loving you

I'm so ashamed of my eyes
'Cause they still cry for you
After they both watched my hand
Wave goodbye to you

I've told them time and time again
That this will never do
And I've told them
How you always laughed at teardrops

I'm so ashamed of my arms
For missing you
Last night I woke up just in time
To see them reach for you

And now my heart confesses
It's still wants you too
I'm so ashamed of them all
For loving you
