

## Hero

Willie Nelson

I'm so ashamed of my eyes  
'Cause they still cry for you  
After they both watched my hand  
Wave goodbye to you

And I've told them time and time again  
That this will never do  
And I've told them  
How you always laughed at teardrops

I'm so ashamed of my arms  
For missing you  
Last night I woke up just in time  
To see them reach for you

And now my heart confesses  
It's still wants you too  
I'm so ashamed of them all  
For loving you

I'm so ashamed of my eyes  
'Cause they still cry for you  
After they both watched my hand  
Wave goodbye to you

I've told them time and time again  
That this will never do  
And I've told them  
How you always laughed at teardrops

I'm so ashamed of my arms  
For missing you  
Last night I woke up just in time  
To see them reach for you

And now my heart confesses  
It's still wants you too  
I'm so ashamed of them all  
For loving you
