

I'll Walk Alone

Willie Nelson

I'll walk alone where once we wandered it seems so strange since you are gone
Till you return I'll stay the same dear I'll still be true and walk alone
By stars above I swear to love you with all the love I've ever known
While we're apart I'll stay the same dear and when teardrops start I'll walk alone

The flame of love is brightly burning and you know that I'm your very own
Each night I pray for your returning but while you're gone I'll walk alone
