

I'll Walk Alone

Willie Nelson

I'll walk alone where once we wandered it seems so strange since
you are gone

Till you return I'll stay the same dear I'll still be true and
walk alone

By stars above I swear to love you with all the love I've ever
known

While we're apart I'll stay the same dear and when teardrops start
I'll walk alone

The flame of love is brightly burning and you know that I'm your
very own

Each night I pray for your returning but while you're gone I'll
walk alone
