

# I Love The Life I Live

Willie Nelson

I see you watchin' me just like a hawk  
I don't mind the way you talk  
But if you touch me something's got to give  
I live the life I love and I love the life I live

My diamond ring and my money too  
Tomorrow night they could belong to you  
The girl move me at their will  
I live the life I love and I love the life I live

I may lay a hundred on a bet this time  
Tomorrow night can't cover your dime  
Next week I could be over the hill  
I'm just tryin' to tell you people how I feel

You see me rockin' as I pass you by  
Don't talk about me cause I could be high  
Just forgive me if you will  
I live the life I love and I love the life I live

Well, I may lay a hundred on a bet this time  
Tomorrow night can't cover your dime  
Next week I could be over the hill  
I'm just tryin' to tell you people how I feel

You see me rockin' as I pass you by  
Don't talk about me cause I could be high  
Just forgive me if you will  
I live the life I love and I love the life I live
