

# I Love You a Thousand Ways

Willie Nelson

I love you I'll prove it in days to come  
I swear it's true darling you're the only one  
I've been so blue and lonesome since you've gone  
I love you I'll prove it a thousand ways  
I'll be nice and sweet to you and no more will you be blue  
I'll prove I love you every day all kinds of ways  
So darling please wait please wait until I'm free  
There'll be a change a great change made in me  
I love you and there'll never be blue days  
I love you and I'll prove it a thousand ways

I'll be nice and sweet to you...
