

# I Still Can't Believe You're Gone

Willie Nelson

This is the very first day since you left me  
And I've tried to put my thoughts in a song  
All I can hear myself singing baby is I still can't believe you  
're gone  
I still can't believe that you'd leave me what did I do that wa  
s so wrong  
And there's just too many unanswered questions  
And I still can't believe that you're gone  
But you're gone I'm alone and I'm still living  
I don't like it but I'll take it till I'm strong  
And all that I can hear myself saying baby is I still can't bel  
ieve you're gone  
And I still can't believe you're gone
