

I Walk Alone

Willie Nelson

I'll walk alone
Where once we wandered
It seems so strange
Since you are gone
Till you return
I'll stay the same, dear
I'll still be true
And walk alone

By stars above
I swear to love you
With all the love
I've ever known
While we're apart
I'll stay the same, dear
And when teardrops start
I'll walk alone

The flame of love
Is brightly burning
And you know that I'm
Your very own
Each night I pray
For your returning
But while you're gone
I'll walk alone
