

# I Want to Be With You Always

Willie Nelson

I lose my blues, honey  
When I'm with you  
No one else can do  
You're in my heart to stay  
But when I'm gone and I'm all alone  
I'll be singing a song  
I want to be with you always

I'd be happy, dear  
If you could only be here  
And always be near  
Forever and a day  
We could travel far  
To some big shining star  
Just me and my guitar  
And stay like sweethearts for always

I lose my blues, honey  
When I'm with you  
No one else can do  
You're in my heart to stay  
But when I'm gone and I'm all alone  
I'll be singing a song  
I want to be with you always
