

It's a Sin

Willie Nelson

It's a sin my darling how I love you although I know our love can never be

It's a sin to keep this memory of you when silence proves that you've forgotten me

The dreams I built for us have tumbled each promise broken like my heart

Why pretend that I can't live without you when deep inside I know that it's a sin

I hope you're happy with another who shares the dream I could not win

Why pretend that I can't live without you when deep inside I know that it's a sin
