## It's Not for Me to Understand

## Willie Nelson

I passed a home the other day The yard was filled with kids at play And on the sidewalk of this home A little boy stood all alone His smiling face was sweet and kind But I could see the boy was blind He listened to the children play I bowed my head and there I prayed Dear Lord above why must this be And then these words came down to me After all you're just a man And it's not for you to understand It's not for you to reason why You too are blind without my eyes So question not what I command Cause it's not for you to understand

Now when I pray my prayer is one I pray his will not mine be done After all I'm just a man And it's not for me to understand
