

## It Turns Me Inside Out

Willie Nelson

In a way I'm glad it's over even though it's gonna hurt me once  
you're gone  
But I can learn to live without you give me time and I can make  
it on my own  
Loving you to me came easy and losing you will change my life n  
o doubt  
In a way I'm glad it's over but another way it turns me inside  
out  
In a way I guess it's better although there's nothing good at go  
odbye  
But I know I couldn't hold you  
Now you found your wings and you need room to fly  
It's for sure I'm gonna miss you but I guess that's what goodby  
e is all about  
In a way I'm glad it's over but another way it turns me inside  
out  
On the one hand I know I'll be better off once you're gone  
But I find a lot of heartaches on the other  
And I can't say that I look forward to those nights I'll be alo  
ne  
And I wonder if there'll ever be another  
Loving you to me came easy and losing you will change my life n  
o doubt  
In a way I'm glad it's over but another way it turns me inside  
out  
In a way I'm glad it's over but another way it turns me inside  
out
