

Jimmy's Road

Willie Nelson

This is Jimmy's road
Where Jimmy liked to play
This is Jimmy's grass
Where Jimmy liked to lay around

This is Jimmy's tree
Where Jimmy liked to climb
But Jimmy went to war
And something changed his mind

This is the battle ground
Where Jimmy learned to kill
Now Jimmy has a trade
And Jimmy knows it well too well

This is Jimmy's grave
Where Jimmy's body lies
When a soldier falls
Jimmy's body dies and dies

Well this is Jimmy's road
Where Jimmy likes to play
This is Jimmy's grass
Where Jimmy likes to lay around
