

Just to Satisfy You

Willie Nelson

Someone's gonna get hurt before you're through
Someone's gonna pay for the things you do
How many hearts must break, how many will it take
To satisfy you, just to satisfy you

Another love, another fool
To play your game
Another love, another fool
They're all the same

Someone's gonna get hurt before you're through
Don't be surprised if that someone is you
You're gonna find when it's too late, a heart that just won't break
To satisfy you, just to satisfy you

How many tears were cried, how many dreams have died
To satisfy you, just to satisfy you
