

Keep Me From Blowing Away

Willie Nelson

Well I spent my whole lifetime
In a world where the sunshine
Finds excuses for not hangin' 'round
I squandered emotions
On the slightest of notions
And the first easy loving I found
But soon all the good times
The gay times and play times
Like colors run together and fade
Oh Lord if you hear me
Touch me and hold me
And keep me from blowing away

There's times when I trembled
When my mind remembered
The days that just crumbled away
With nothing to show
But these lines that I know
Are beginning to show in my face

Oh Lord if you're listening
I know I'm no Christian
And I ain't got much coming to me
So send down some sunshine
Throw out your lifeline
And keep me from blowing away

Oh Lord if you hear me
Touch me and hold me
And keep me from blowing away
