Keep Me From Blowing Away

Willie Nelson

Well I spent my whole lifetime In a world where the sunshine Finds excuses for not hangin' 'round I squandered emotions On the slightest of notions And the first easy loving I found But soon all the good times The gay times and play times Like colors run together and fade Oh Lord if you hear me Touch me and hold me And keep me from blowing away

There's times when I trembled When my mind remembered The days that just crumbled away With nothing to show But these lines that I know Are beginning to show in my face

Oh Lord if you're listening I know I'm no Christian And I ain't got much coming to me So send down some sunshine Throw out your lifeline And keep me from blowing away

Oh Lord if you hear me Touch me and hold me And keep me from blowing away
