

Kneel At The Feet Of Jesus

Willie Nelson

Well I guess I been hanging around too long it's just about time
I was moving along
But I'm gonna kneel at the feet of Jesus in the morning
And don't you worry and don't you moan it's just about time I was
moving along
But I'm gonna kneel at the feet of Jesus in the morning
I'm gonna kneel at the feet of Jesus in the morning
I'm gonna leave this sinful world before the dawning
Don't you worry and don't you moan it's just about time I was moving
along
I'm gonna kneel at the feet of Jesus in the morning

And when I'm dead and you carry me away
Don't you bury me deep cause I ain't gonna stay
I'm gonna kneel at the feet of Jesus in the morning
Just a little bit of dirt and a little bit of gravel
Don't you weigh me down cause you know I gotta travel
I'm gonna kneel at the feet of Jesus in the morning
I'm gonna kneel at the feet...
(I'm gonna kneel at the feet...)
