Lonestar

Willie Nelson

Lonestar where are you out tonight? This feeling I'm trying to fight It's dark and I think that I would Give anything For you to shine down on me

How far you are I just don't know The distance I'm willing to go I pick up a stone that I cast to the sky Hoping for some kind of sign

Lonestar where are you out tonight? This feeling I'm trying to fight It's dark and I think that I would Give anything For you to shine down on me For you to shine down on me
