Making Believe

Willie Nelson

I'm making believe that you still love me and it's leaving me a lone and so blue

I'll always dream but I'll never own you I'll keep loving you a nd making believe

I can't hold you close darling when you're not with me You're somebody's love now and you'll never be mine I'll always dream but I'll never own you I'll keep loving you a nd making believe

I'm making believe...
