

# Maria (Shut Up and Kiss Me)

Willie Nelson

That's my favorite part  
Rewind my life on  
When my world got dark  
You turned my light on  
I watched it for hours again and again in my head  
I did  
I see I was down on you more than I needed to be  
I'd say I'm sorry but then you'd think I'm lyin'

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on

That's my favorite shirt  
You always had on  
And it sure looked good  
Every time you walked on  
You're takin' the wind from me every chance that you could  
You're good  
Somethin' I can't explain  
You tell me lately I've changed  
If you feel better, tell me why are you cryin'?

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on

Maria, Maria can we talk it over instead?  
Let's call it even and leave it alone  
Come to bed

Maria, stop leavin' your teasin' is beaten me down  
Maria, just calm down  
In these situations I've found  
It's best not to be proud  
And say that you're sorry

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on

And it turns me on and on

on and on  
on and on  
And it turns me on and on  
on and on  
on and on  
on and on and on and on
