

Moonlight Becomes You

Willie Nelson

Moonlight becomes you
It goes with your hair
You certainly know
The right thing to wear
Moonlight becomes you
And I'm thrilled at the sight
And we could get
So romantic tonight
You're all dressed up
To go dreaming now
Don't tell me I'm wrong
And what a night
To go dreaming
Mind if I tag along
Moonlight becomes you
And I want you to know
It's not just because
There's moonlight
Although moonlight becomes you so

Moonlight becomes you...
