

My Broken Heart Belongs to You

Willie Nelson

I lost my mind so long ago
I wanted everyone to know
I wanted everyone to see
My broken heart belong to me

I go beyond the thought of you
And a broken heart was nothing new
I wanted everyone to see
My broken heart belong to me

And now as autumn fills the air
I feel your spirit everywhere
And now my fears are coming true
My broken heart belongs to you

And now as autumn fills the air
I feel your presence everywhere
Now my fears are coming true
My broken heart belongs to you

And now my fears are coming true
My broken heart belongs to you
