

# My Broken Heart Belongs to You

Willie Nelson

I lost my mind so long ago  
I wanted everyone to know  
I wanted everyone to see  
My broken heart belong to me

I go beyond the thought of you  
And a broken heart was nothing new  
I wanted everyone to see  
My broken heart belong to me

And now as autumn fills the air  
I feel your spirit everywhere  
And now my fears are coming true  
My broken heart belongs to you

And now as autumn fills the air  
I feel your presence everywhere  
Now my fears are coming true  
My broken heart belongs to you

And now my fears are coming true  
My broken heart belongs to you
