My Broken Heart Belongs to You

Willie Nelson

I lost my mind so long ago I wanted everyone to know I wanted everyone to see My broken heart belong to me

I go beyond the thought of you And a broken heart was nothing new I wanted everyone to see My broken heart belong to me

And now as autumn fills the air I feel your spirit everywhere And now my fears are coming true My broken heart belongs to you

And now as autumn fills the air I feel your presence everywhere Now my fears are coming true My broken heart belongs to you

And now my fears are coming true My broken heart belongs to you
