

# Night and Day

Willie Nelson

Like the beat, beat, beat, of the tom-tom  
When the jungle shadows fall  
Like the tick tick tock of the stately clock  
As it's standing against the wall

Like the beat, beat, beat, of the tom-tom  
When the jungle shadows fall  
Like the tick tick tock of the stately clock  
As it's standing against the wall

Like the drip, drip, drip of the rain drops  
When the summer shower is through  
So a voice within me  
Keeps repeating you, you, you

Night and day you are the one  
Only you beneath the moon and under the sun  
Whether near to me or far  
It's no matter, darling, where you are  
I think of you night and day

Day and night, why is it so?  
That this longing for you follows wherever I go  
In the roaring traffics boom  
In the silence of my lonely room  
I think of you night and day

Night and day under the hide of me  
There's a oh such hungry yearning burning inside of me  
And its torment won't be through  
'Til you let me spend my life making love to you  
Day and night, night and day

Torment won't ever be through  
'Til you let me spend my life making love to you  
Day and night, night and day

Day and night, night and day  
Day and night, night and day  
Day and night, day and night  
Day and night, night and day
