Ol' Blue

Willie Nelson

I had a dog and his name was Blue I'll tell you what ol' Blue would do Yeah Blue, yeah Blue, yeah Blue

He'd go out every night about dark
And it wouldn't be long 'til you'd hear him bark
Yeah Blue, yeah Blue

And I'd go out to see what he had It'd be a great big opossum up a black-jack tree Yeah Blue, yeah Blue

I'd get a stick and I'd knock him down
I'm gonna bake that opossum good and brown
Yeah Blue, yeah Blue

Ol' Blue he died and he died so hard That he graveled little holes all over the yard Yeah Blue, yeah Blue

I dug his grave with a silver spade And I lowered him down with a golden chain Yeah Blue, yeah Blue

And when I get to heaven, I'll tell you what I'll do I'm gonna get my horn and call ol' Blue Yeah Blue, yeah Blue, yeah Blue Yeah Blue, yeah Blue

Yeah Blue, yeah Blue, yeah Blue
