

Old Fords And A Natural Stone

Willie Nelson

Papa's words ringin' in my ears son you got to get tighter with
your tears
Just because she's leaving don't start believing
That your rock'n roll days are gone
'Cause nothing lasts forever but old Fords and a natural stone
And when those sad songs and slow hurtin' songs
Get you down while you're alone it won't hurt long
'Cause nothing lasts forever like old Fords and a natural stone

Diamonds are forever and these old cars they still keep rolling
on
And all those I love you forever's they're just words that can't
be depended on
'Cause when they're wrong they're wrong and when they're gone,
they're gone
'Cause nothin' lasts forever but old Fords and a natural stone
Papa's words ringin' in my ears son you got to get tighter with
your tears
