

On the Road Again

Willie Nelson

On the road again, just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again
On the road again, goin' places that I've never been
Seein' things that I may never see again,
And I can't wait to get on the road again.

On the road again, like a band of gypsies we go down the highwa
y
We're the best of friends,
Insisting that the world be turnin' our way
And our way, is on the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again.
