

## On the Road Again

Willie Nelson

On the road again, just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again  
On the road again, goin' places that I've never been  
Seein' things that I may never see again,  
And I can't wait to get on the road again.

On the road again, like a band of gypsies we go down the highwa  
y  
We're the best of friends,  
Insisting that the world be turnin' our way  
And our way, is on the road again  
Just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again.
