

# On the Street Where You Live

Willie Nelson

I have often walked down the street before  
But the pavement always  
Stayed beneath my feet before

All at once am I  
Several stories high  
Knowing I'm on the street where you live

Are there lilac trees  
In the heart of town?  
Can you hear a lark in any other part of town?

Does enchantment pour  
Out of every door?  
No, it's just on the street where you live

And oh, the towering feeling  
Just to know somehow you are near  
The overpowering feeling  
That any second you may suddenly appear

People stop and stare  
They don't bother me  
For there's no where else on earth  
That I would rather be

Let the time go by  
I won't care if I  
Can be here on the street where you live

People stop and stare  
They don't bother me  
For there's no where else on earth  
That I would rather be

Let the time go by  
I won't care if I  
Can be here on the street where you live  
Let me be on the street where you live
