

# One Day at a Time

Willie Nelson

I live one day at a time I dream one dream at a time  
Yesterday's dead and tomorrow is blind and I live one day at a  
time  
I guess that's your surprise to see me back at home  
But you know how much I miss you when I'm gone  
But don't ask how long I planned to stay it never it crossed my  
mind  
I live one day at a time  
See that sparrow fly across the cloudy sky  
Searching for a hatch of sunlight so am I  
I wish I didn't have to follow and perhaps I want in time  
But I live one day at a time  
I live one day at a time I dream one dream at a time  
Yesterday's dead and tomorrow is blind and I live one day at a  
time  
And I live one day at a time
