

Opportunity to Cry

Willie Nelson

Just watch the sunrise on the other side of town
Once more I've waited and once more you've let me down
This would be a perfect time for me to die I'd like to take thi
s opportunity to cry
You gave your word now I return it to you with this suggestion
as to what you can do
Just exchange the words I love you for goodbye while I take thi
s opportunity to cry
I'd like to see you but I'm afraid that I don't know wrong from
right
And if I saw you would I kiss you or wanna kill you out of sigh
t
It's been a long night so I think I'll go home
And feed my nightmares they've been waiting all night long
They'll be the last ones to tell me goodbye
And they'll give me many opportunities to cry
They'll give me many opportunities to cry
