

# Pieces of My Life

Willie Nelson

A water glass full of whiskey  
Women that I never knew too well  
Lord, the things I've seen and done  
Most of which I'd be ashamed to tell

I don't know how it started  
That's what makes a man a man I guess  
Now I'm holding on to nothing  
Trying to forget the rest

I'm looking back on my life  
To see if I can find the pieces  
I know that some were stolen  
And some just blew away

Well I've found the bad parts  
Found all the sad parts  
But I guess I threw the best parts away  
Lord away, away

Playing the bars, playing like a star  
Anything to get a name  
Carrying on, living on songs  
My friends wrote for me to sing

I'm looking back on my life  
To see if I can find the pieces  
I know that some were stolen  
And some just blew away

Well, I've found the bad parts  
Found all the sad parts  
But I guess I threw the best parts away  
Away, away

Lord, the pieces of my life  
They're everywhere, they're everywhere  
And the one I miss most of all  
Is you and you-know-who

Looking back on my life, Lord  
To see if I can find the pieces  
Looking back on my life today  
To see if I can find the pieces

Looking back on my life  
God help me find the pieces
