

# Rock Me to Sleep

Willie Nelson

All I can hear are the crickets  
And the whistle from some lonely freight  
I've been working so hard to make everything right  
But for now it'll just have to wait

'Cause tonight I'd like you to rock me to sleep  
I'd like you to sing me a song  
I'm tired of trying to figure things out  
And I'm tired of being so strong

I've never been too good at asking  
I'm more apt to do it alone  
And it's strange how a lot of us think something's wrong  
If we can't do it all on our own

'Cause tonight I'd like you to rock me to sleep  
I'd like you to sing me a song  
I'm tired of trying to figure things out  
And I'm tired of being so strong

It's funny how times when your hurtin'  
Make what's so familiar seem strange  
And when you need help, it's hardest to ask  
And it always takes so long to change

'Cause tonight I'd like you to rock me to sleep  
I'd like you to sing me a song  
I'm tired of trying to figure things out  
And I'm tired of being so strong
