## San Antonio Rose

## Willie Nelson

Deep within my heart lies a melody a song of old San Antone Where in dreams I lived with a memory beneath the stars all alo ne Cause it was there I found beside the Alamo Enchantment strange as the blue up above And that moonlit pass beside the Alamo and rose my Rose of San Antone Moon and all your splendor knows only my heart Call back my Rose Rose of San Antone Lips so sweet and tender like petals fallin' apart Speak once again of my love my own Broken song empty words I know still live in my heart all alone And that moonlit pass beside the Alamo and rose my Rose of San Antone

Well now moon and all your splendor... Rose my Rose of San Antone rose my Rose of San Antone
