

## Send Me a Picture

Willie Nelson

Send me a picture  
When we were together  
And we held the world  
In the palm of our hands  
When life had a future  
Forever and ever  
Send me that picture again

How long do you hold on  
To dreams that don't come true  
Although you dream them again and again  
Well one night I'll dream  
And it won't be about you  
I don't think so  
How long has it been

I write all these words  
But you will never see them  
Cause I'll never send them  
I'll just throw them away  
Or hide them somewhere  
Where no one will find them  
So send me that picture today

I used to think time  
would make it all better  
But I have learned better  
As time passed away  
And I've almost forgotten  
What it was that I lived for  
So send me that picture today

I write all these words  
But you will never see them  
Cause I'll never send them  
I'll just throw them away  
Or hide them somewhere  
Where no one will find them  
So send me that picture today

Send me a picture  
When we were together  
And we held the world  
In the palm of our hands  
When life had a future  
Forever and ever  
Send me that picture again
