

## She's Out of My Life

Willie Nelson

She's out of my life she's out of my life  
And I don't know whether to laugh or cry  
I don't know whether to live or die  
And it cuts like a knife she's out of my life  
It's out of my hands it's out of my hands  
To think for two years she was here  
And I took her for granted I was so cavalier  
Now the way that it stands she's out of my hands  
I have learned love is not possession and I have learned that l  
ove won't wait  
I have learned love needs expression but I learned it too late  
She's out of my life she's out of my life  
Damned indecision and cursed pride  
Kept my love for her locked deep inside  
And it cuts like a knife she's out of my life
