

She's Out of My Life

Willie Nelson

She's out of my life she's out of my life
And I don't know whether to laugh or cry
I don't know whether to live or die
And it cuts like a knife she's out of my life
It's out of my hands it's out of my hands
To think for two years she was here
And I took her for granted I was so cavalier
Now the way that it stands she's out of my hands
I have learned love is not possession and I have learned that l
ove won't wait
I have learned love needs expression but I learned it too late
She's out of my life she's out of my life
Damned indecision and cursed pride
Kept my love for her locked deep inside
And it cuts like a knife she's out of my life
