The mirror's gonna tell her how long she's been gone

Down at the corner beer joint dancin' on the rock'n roll
Sister likes to do it Lord sister likes to move her soul
Down at the corner beer joint dancin' on a hardwood floor
Her jeans fit a little bit tighter than they did before
Than they did before than they did before
Lord her jeans fit a little bit tighter than they did before
Than they did before than they did before
Lord her jeans fit a little bit tighter than they did before

Down at corner beer joint dancing to the rock'n roll
Sister likes to do it Lord sister likes to move her soul
Down at corner beer joint dancing on the hardwood floor
Her jeans fit a little bit tighter than they did before
Than they did before than they did before
LWell her jeans fit a little bit tighter than they did before
She likes to move her soul she likes to move her soul
Sister likes to do it Lord sister likes to move her soul
