

# Songbird

Willie Nelson

For you,  
There'll be no more cryin'  
For you,  
The sun will be shinin'  
And I feel that when I'm with you, it's alright  
I know it's right, do you?  
I'll give the world, to you  
I'll never be cold

Cause I feel that when I'm with you  
Yeah, it's alright  
It's always right  
And the songbird's are singing like they know the score  
And I love you, I love you, I love you like never before

And I wish you all the love, yeah, in the world  
But, most of all, I wish it for myself  
And the songbird's keep singing like they know the score  
And I love you, I love you, I love you like never before  
And I love you, I love you, I love you like never before
