

Songbird

Willie Nelson

For you,
There'll be no more cryin'
For you,
The sun will be shinin'
And I feel that when I'm with you, it's alright
I know it's right, do you?
I'll give the world, to you
I'll never be cold

Cause I feel that when I'm with you
Yeah, it's alright
It's always right
And the songbird's are singing like they know the score
And I love you, I love you, I love you like never before

And I wish you all the love, yeah, in the world
But, most of all, I wish it for myself
And the songbird's keep singing like they know the score
And I love you, I love you, I love you like never before
And I love you, I love you, I love you like never before
