## South of the Border

## Willie Nelson

South of the border down Mexico way

That's where I fell in love when stars above came out to play
Now as I wander my thoughts ever stray south of the border down
Mexico way

She was a picture in old Spanish lace

And for a tender while I kissed the smile opon her face

For it was Fiesta we were so gay south of the border down Mexic o way

And she smiled and she whispered Manana

Never dreaming that we were parting

And I lied and I whispered Manana for our tomorrow never came

South of the border I rode back one day

There in a veil of white by candlelight she knelt to pray

And the mission bells told me that I mustn't stay

South of the border down Mexico way

Ay ay
