

# Stella Blue

Willie Nelson

All the years combine  
They melt into a dream  
A broken angel sings  
From a guitar

In the end there's just a song  
Comes crying up at night  
Through all the broken dreams  
And vanished years

Stella blue  
Stella blue

When all the cards are down  
There's nothing left to see  
There's just the pavement left  
Broken dreams

In the end, there's still that song  
That comes crying like the wind  
Down every lonely street  
That's ever ever been

Stella blue  
Stella blue

I've stayed in every blue-light cheap hotel  
Can't win for trying  
Dust off those rusty strings just one more time  
Gonna make them shine, make them shine

It all rolls into one  
And nothing comes for free  
There's nothing that you can hold  
For very long

When you hear that song  
That comes crying like the wind  
Seems like all this life  
Was just a dream
