

Still Is Still Moving to Me

Willie Nelson

Still is still moving to me and I swim like a fish in the sea all the time

But if that's what it takes to be free I don't mind

Still is still moving to me still is still moving to me

And it's hard to explain how I feel

It won't go in words but I know that it's real

I can be moving or I can be still but still is still moving me

Still is still moving to me

And it's hard to explain how I feel it won't go in words but I know that it's real

I can be moving or I can be still

But still is still moving me still is still moving to me

And it's hard to explain how I feel...

Still is still moving to me still is still moving to me still is still moving to me
