Still Is Still Moving to Me

Still is still moving to me

know that it's real

Willie Nelson

Still is still moving to me and I swim like a fish in the sea a \mbox{ll} the time

But if that's what it takes to be free I don't mind
Still is still moving to me still is still moving to me
And it's hard to explain how I feel
It won't go in words but I know that it's real
I can be moving or I can be still but still is still moving me

And it's hard to explain how I feel it won't go in words but I

I can be moving or I can be still But still is still moving me still is still moving to me

And it's hard to explain how I feel...

Still is still moving to me still is still moving to me still is still moving to me
