

# Still Not Dead

Willie Nelson

I woke up still not dead again today  
The internet said I had passed away  
If I died I wasn't dead to stay  
And I woke up still not dead again today

Well, I woke up still not dead again today  
The gardener did not find me that a way  
You can't believe a word that people say  
And I woke up still not dead again today

I run up and down the road making music as I go  
They say my pace would kill a normal man  
But I've never been accused of being normal anyway  
And I woke up still not dead again today

I woke up still not dead again today  
The news said I was gone to my dismay  
Don't bury me, I've got a show to play  
And I woke up still not dead again today

I run up and down the road making music as I go  
They say my pace would kill a normal man  
But I've never been accused of being normal anyway  
And I woke up still not dead again today

Last night I had a dream that I died twice yesterday  
But I woke up still not dead again today
