

## Summer of Roses

Willie Nelson

A short time I have to be with you my love  
But a short time is better than no time you see  
So I bring to you all my possessions and would that you'd share  
them with me  
I bring you one springtime of robins one springtime of robins t  
o sing  
And I bring you one summer of roses one summer of roses I bring  
I bring you one autumn dry leaves dry leaves will be helpful yo  
u know  
To soften the fall of your snowflakes when I bring you your win  
ter of snow
