

Superman

Willie Nelson

Too many pain pills too much pot
Tryin' to be something that I'm not
Superman Superman
Tryin' to do more than I can
Gotta a little outta hand
I ain't Superman

Well I blew my throat and I blew my tour
I wound up sippin on soup de sour

I wasn't Superman wasn't Superman
Try to do more than I can
Gotta a little outta hand
I ain't Superman

Well the doctor said son it's a cryin' shame
But you ain't Clark Kent and I ain't Lois Lane
You ain't Superman you ain't Superman
Gotta a little outta hand
You ain't Superman

And when I die put it on my stone
God said sucker get your bad ass home
You ain't Superman you ain't Superman
Tryin' to do more than you can
Gotta a little outta hand
You ain't Superman
Tryin' to do more than than you can
Gotta a little outta hand
You ain't Superman
